LODGING STYLES

Please note that prices are subject to change. If you have any questions or need additional information, please do not hesitate to contact us. For our rental groups, there are two ways to book lodging at Crescent Lake Bible Camp:

Housing – By Type

This means that we will determine the best facilities to assign to your group, based on size. Groups are not allowed to choose the cabin spaces, but can save money for their event by allowing us to charge on a per-person basis.

Housing – By Location

This means that groups get to select the cabin spaces that they want for their event. Groups are charged our published flat fee, per night, for the rental of their cabin(s) – found on Page 5 – regardless of how many people actually stay. ***(No per-person fee is available when selecting Housing – By Location.)***

HOUSING BY TYPE

The rates listed below will be charged for each person in your group, unless stated otherwise. Specific cabins will not be reserved but assigned by Camp Staff based on final numbers. (Please be sure to review the “Reserved Number” information in your “Contract For Use”.) We will, of course, work with your group to select cabins that meet your specific needs; just tell us the type of housing you require.

Tent Camping	\$20.00 per Site per Night
---------------------	-----------------------------------

Bring your gear and let’s go camping the good old-fashioned way! Crescent Lake has multiple tent camping sites complete with fire pit and access to a nearby bathhouse. (Maximum of four people per site. Larger groups, please contact us.)

RV Sites (with Electricity and Water)	\$25.00 per Site per Night
--	-----------------------------------

Have your own RV? Come and be a part of the Crescent Lake family from the comfort of your own camper. These sites include hook-ups for both electricity and water. Please note that septic hookups are not available at the present time. (Maximum of four people per site. Larger groups, please contact us.)

Rustic Cabins	\$15.00 per Person per Night
----------------------	-------------------------------------

If you’re looking for a great camping experience, come and stay in our rustic cabins! These cabins feature bunk beds, a wood stove or heater (if necessary) and the convenience of a nearby, modern bathhouse. Located in the middle of camp, our rustic cabins are only a short walk from the Dining Hall, Waterfront and Canteen.

Modern Cabins	\$25.00 per Person per Night
----------------------	-------------------------------------

Want to get away from it all but you like your indoor plumbing? Our modern cabins offer the perfect balance between Northwoods beauty and motel comfort. All of our modern cabins have central heat, bathrooms inside the buildings and many offer kitchen areas, as well!

Dempsey Inn / Roberts Retreat Center

\$40.00 per Person per Night

HOUSING (BY LOCATION)

The rates below apply if you request specific cabin(s) for your group. The number of people staying in the cabin is at your discretion, but is not to exceed the cabin capacity. Cots may be placed in cabins where indicated. There is no charge for extra cots or cribs.

Some cabins feature full mattresses, which means that there is the option of having married couples stay together. These cabins have a range (e.g. 32 – 40) in the “Campers” line; this indicates the number of campers who can stay if there is only one person per bed up to the total number who can stay there if each full-sized bed sleeps two. (* indicates closed in winter.)

Please note that these prices do not include Program Fees and Food Service.

MEETING ROOM RENTALS (NO OVERNIGHT LODGING)

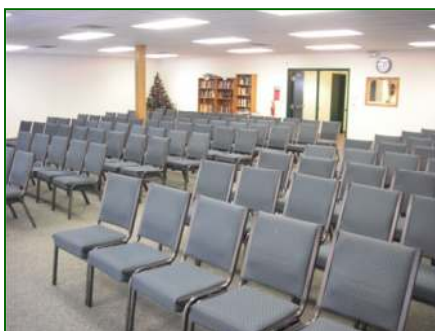

All groups spending the night will automatically be provided with a meeting room that will accommodate the size of their group. If you require additional space or if you are looking to book a meeting room and do not require any lodging, please check out the table below.

Meeting rooms located inside cabin areas are reserved for the guests, if any, lodging there. In the event that there is no one staying overnight in the cabin, that room will be available for rent by an outside group. (Capacity is an estimate based on space available for chairs.)

The Dining Hall is not available for rent while any other group is on camp. To guarantee the Dining Hall is available for your event, there can be no other group already booked for that date and you will be required to pay the “Exclusive Use Fee”.
