

Crescent Lake Bible Camp teaches young people about the Good News of Jesus Christ

75 years of ministry

Crescent Lake Bible Camp has faithfully presented the Gospel to thousands of young people and families over its 75-year history. As a result, hundreds of youth have come to know Christ as Savior and many more have made decisions to enter full-time ministry.

In addition, thousands of families have grown closer and become stronger as they built memories and heard the truth of God's Word in the beautiful surroundings of Crescent Lake Bible Camp.

The challenges

Up until recently, financial support from kind and generous donors has covered the gap between revenue and operating expenses allowing Crescent Lake Bible Camp to stay in operation for 75 years.

However, during these tough economic times, support has decreased and it is becoming increasingly difficult to cover this deficit. Consequently, Camp needs to identify additional sources of revenue in order to continue into the future.

Crescent Lake Bible Camp helps dads and daughters create special memories and grow closer to each other

The opportunities

Currently, the majority of Camp's revenues come in during the summer months of June, July and August. This leaves Camp essentially unused September through May with the exception of youth snow camps and rental groups. This causes a financial strain on the ministry.

As Camp's board prayed about the situation, they felt God was leading them to create a subsidiary called Northern Lakes Impact Center (NLIC). NLIC is an organization geared to teach outdoor education curriculum to students attending public and private schools.

Establishing a relationship with schools helps Crescent Lake Bible Camp

accomplish two key goals. The first is to generate revenue during the off-season and the second is to create an outreach for un-churched school children to hear about and experience the ministry of Crescent Lake Bible Camp.

Sons and fathers can enjoy time together on the shore of beautiful Crescent Lake

How you can help

Crescent Lake Bible Camp has established an investment fund that will allow Camp to secure a solid financial footing as it enters its 76th year of providing Christian camping experiences to youth and families.

This investment fund will launch Northern Lakes Impact Center, pay down current debt and provide operating capital over the next two years.

Your participation in the program will allow you to receive an interest rate on your funds that is more favorable than a bank-issued CD, while at the same time helping the ministry at Crescent Lake Bible Camp. This is a WIN / WIN situation for you and CLBC

How Crescent Lake Bible Camp changes lives

"I am writing to give thanks for an opportunity that my children would never have experienced without the scholarships available at Crescent Lake Bible Camp. My three sons do not live with me. Their mother and I both struggle financially making places like Crescent Lake Bible Camp impossible for them to attend. Crescent Lake Bible Camp provided a way to introduce my children to the God I know in an atmosphere that they could share with other children and see and hear how God has worked in other children's lives."

Gerald—father of youth campers

"Pastor Terry's stories and testimonies were inspiring and gave me the encouragement I needed to live for Jesus. My time here was incredible and I hope and pray that CLBC will continue to influence the lives of young people like it has influenced me."

Olivia-youth camper

"I am so thankful for being able to come to Crescent Lake Bible Camp. I went swimming a lot. We went boating and tubing and I tried to ski and loved it. My favorite thing was to be with the counselors and my family. I am so thankful to the nice people who provided my way and I would like to thank them. May God bless them."

Stephen—family camper

Counselors come to know the Lord in an intimate way at Crescent Lake Bible Camp

At Crescent Lake Bible Camp, brothers in Christ enjoy fellowship with one another
