International Christmas

Feliz Navidad!

Have you ever wondered where the Christmas Tree came from? Why do we give presents? And just who is St. Nick anyhow?

In our International Christmas program, the Northern Lakes Impact Center teaches students about the histories and traditions of Christmas.

We explore three main countries: Germany, Mexico and Japan and discuss the contributions they have made—and continue to make—to the modern celebration of Christmas.

This program introduces students to games, songs, crafts and customs of other countries. Students rotate to the different stations and end with cocoa, cookies and Christmas carols by our “fireplace”.

Western Christmas

Christmas For Cowboys

Howdy Y'all! Get set for a time of fun and games as you join us for our Western Christmas program.

The Western Christmas program is filled with crafts, hayrides, games and stories around the fireplace—made even better with hot cocoa, cookies and Christmas Carols.

If the weather is right, we'll go sledding, too, or take a turn on our HUGE tubing run!

International Christmas is designed for students in Grades 1 - 6.

Western Christmas is designed for students in Grades K - 5.
