

Walk of Faith
Personalized Brick Project
Buy A Brick – Change A Life

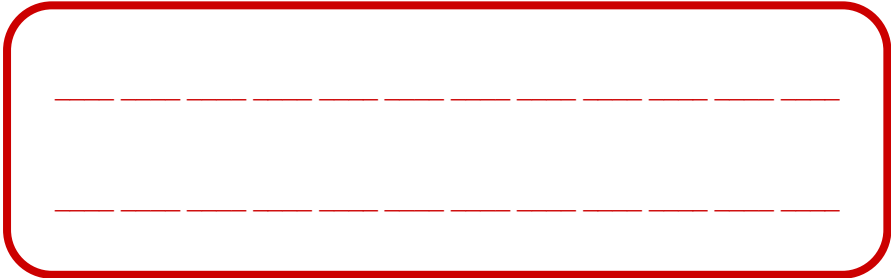

For 75 years, Crescent Lake Bible Camp has been fulfilling its two primary purposes: evangelism and discipleship. Every year we see children, teens, adults and even entire families grow in their faith; we see lives dedicated or rededicated to Christ; we see people commit themselves to full-time service to Christ. God has blessed this ministry and with each program we are able to reach out to new youth and families!

While this growth in ministry and outreach is truly a blessing, we need your help. Our goal is to provide opportunities for youth and families to have life-changing experiences, regardless of their background and ability to pay; and, because of that commitment, we literally receive hundreds of requests for scholarships each year. It is our goal that, within reasonable limits, no one is turned away; but, unfortunately, with all the requests, it is difficult to meet all of the needs that are out there.

The Crescent Lake Bible Camp – Walk of Faith Project provides *you* with an opportunity to partner with our ministry, buy a brick, lay a foundation and change a life! For a donation of \$280.00 – the cost for a youth camper to attend a one-week program – you will provide a camper with a program that can have an eternal impact and, at the same time, provide a lasting legacy in honor or in memoriam of someone special.

Directions:

Please print on the bricks below what you would like to have inscribed. Please note that there is a maximum of 12 characters allowed per line and only two lines per brick. All spaces on the brick do not need to be used. Feel free to copy this page if you would like to donate more than one brick.
